

2018 Arbor Day School Poster Contest for grades K to 5

2018 K-5 Arbor Day Poster Contest

Trees are Terrific...and Perfect for Pollinators!

DOVER— The Delaware Forest Service is now accepting entries for its annual [Arbor Day Poster Contest](#) for grades K to 5—open to all public, private, and home school students. For the first time, this year's theme is "Trees are Terrific...and Perfect for Pollinators!" The contest can teach students about the important role of trees in the well-being of both people and pollinators, such as bees.

In Delaware, Arbor Day is designated as the last Friday in April (April 27, 2018). [Arbor Day was started in Nebraska in 1872 by J. Sterling Morton](#) as an occasion to both celebrate and encourage the planting of trees.

In addition to a chance to win prizes, all students that participate will receive free loblolly pine seedlings, delivered during the last week of April. Teachers must register for the contest by **March 15** to reserve free seedlings, and all posters are due **March 29, 2018**.

One winner from each county (New Castle, Kent, Sussex) will be selected in each entry category (K, 1-2, 3-4, 5). From these 12 winners, an overall state winner will be chosen to represent Delaware for the 2018 State Arbor Day Ceremony. All county-level category winners receive:

- \$25.00 gift card
